CORONATION CHANGES

The 1977 Coronation brought with it many changes. In years past, upper classmen selected twelve candidates. The day before the Coronation, the entire student body chose the Queen. This year, the entire student body elected the candidates. From this single ballot the top vote-getter became Queen, the next eleven became court maids, and the next nine became court attendants. The votes were counted by persons outside the school who kept the results secret until the Master of Ceremonies opened the envelope during the ceremony.

The Coronation took place the Saturday before the Homecoming football game, so that the new Queen could reign over the Homecoming activities and be introduced at the football game. The music played continuously throughout the ceremony by a professional organist.

Also, this year a single Master of Ceremonies (MC) announced each maid and her escort; the pages and the trumpet fanfare had disappeared. The eight attendants stood at the back of the gym and performed various duties throughout the evening.

Since the stage was unavailable, and their escorts

Coronation Shine

stood on risers at the front of the gym. These risers necessitated the narrowing of the skirts; the ante bellum dresses gave way as did the deep bows to the floor.

Each maid met her escort beneath a drape at center stage, curtsied to the audience, descended the stairs, and traveled down the center aisle to the back where an attendant waited to greet her and presented her a bouquet. The couple then turned and walked to the center of the stage; bowed to each side of the audience. She and her escort continued to the risers and awaited the next maid.

After the last candidate and her escort had taken their places, three of the attendants accompanied the past Queen to the throne which was placed beneath the drape onstage. The MC opened the envelope and revealed the name of the winning candidate.

The ceremony ended with a recessional and a receiving line along the back wall of the gym. No Coronation Ball followed; instead a Homecoming dance was held the following weekend.

Specialties

Attendants were nine girls next in line for Coronation maids. Left to right: Nancy Fink, Beth Schmidt, Denise Bauer, Sue Florek, Marilyn Fayollat, Brenda Ross, Beth Porter, Linda Tedford, LeAnn Thomas.

Before the maids came in, the Concert Choir and the Girls Choir sang. Both choirs were led by Mrs. Claudson and contributed much to the Coronation activities.

Mrs. Wille and Mrs. Porter also helped in preparing the Coronation festivities. They planned the activities for the week, helped the maids with their dresses, set up the decorations for Coronation night, and much more. We appreciate everything they did as well as the rest of the faculty. Thanks to them, this year's Coronation was a big success.

Donkey Basketball Game

For those who attended the successful March 4th Donkey Basketball Game the admission was well worth it. An overwhelming crowd of cheering faces of all ages filled Triad's main gym.

The Triad Faculty, Varsity Club, and F.F.A. students had trouble sitting the next day after playing in the game.

The game was played by each team member trying to score points while riding his donkey. A total of three games were played in what seemed to be a short hour and a half. Who won? Everybody!

Coed P.E.

Coed P.E. was fun for all who participated.

First, everyone sits down for roll call.

Volleyball was one of the favorite games played during the bad weather.

Watching was also important in the activities.

They're not shy! They're just sitting on their numbers.

Dancing was taught to boys, as well as to girls.

This was the first year for Coed P.E. Boys and Girls took part in physical fitness and sports together. They participated in such sports as basketball, volleyball, flag football, baseball, tennis, hockey, etc. It proved that boys and girls can compete in mixed sports. For the first year, Coed P.E. was a success!

Even in real competition it's hard to tell who's best. Joe F., Tina B. Best Senior Athletes.

What a Step!

Boys and girls did the jitterbug, so they could use it later.

Farewell To My Past

The road that waits before
me, is one filled with
challenge and strife.

A great and difficult pathway
to the echoing chambers
of life.

The road I leave behind me
is one I shall ever
hold dear

For it opened the door of my
knowledge and nourished it
throughout each year.

I'll always remember my friends
though most I shall
never see,

I'll cherish the thoughts of
my teachers and all that
they tried to teach me.

I'll reach for the rainbow and
follow that star and search for
my dreams wherever they are.

And as I embark upon this journey
a memory will shadow
each day,
that this school, these teachers,
with all of their faults, kindled
the fire that will light my way.
